

# Arcadia High School

## Senior Project Parent Acknowledgement Form

As the parent/guardian of \_\_\_\_\_, a senior enrolled at Arcadia High School, I am aware that my son/daughter must earn a passing grade in his/her Senior English class. The Senior Project he/she will be working on represents 20% of the Senior English grade.

This project should represent a “learning stretch” for each student. We encourage you to contact your son or daughter’s English teacher promptly, should you have any questions or comments regarding your son or daughter’s project.

In preparation for this project, students will interview someone in the occupation that they have chosen to research. This interview will be conducted with someone outside the immediate family of the student and will be arranged by the student.

I am aware that a research paper on \_\_\_\_\_  
*(Research Topic)*

is due on May 27<sup>th</sup>, 2014, and that my student is arranging to

interview \_\_\_\_\_  
*(Name and Title of Person Student has arranged to interview)*

I fully understand that my student’s research topic is his or her own choice, but with the approval of the staff and the administration of the school.

I approve of and consent to my son’s or daughter’s Senior Project under the conditions described above.
